## Description per area

---

### General description

Riva's 39ft open-top showstopper is a celebration of the classic style of the legendary wooden Riva of the 1960s, but brought right up to date. With a top speed of 40 knots, the Rivamare is a glorious dayboat, or 2-berth weekender, that brings together the best of the Aquariva, the Rivarama and the classic Aquarama, but with some rather clever and surprising 21st century additions.
