M/Y BALOO I is a superbly maintained Pershing 74 that combines performance, style, and reliability. Powered by twin 1948Hp MTU 12V2000M94 engines, she delivers exhilarating speed and exceptional cruising comfort. Her engines have always been serviced exclusively by official MTU technicians, ensuring peak performance and long-term reliability. BALOO I stands out for her pristine condition, reflecting meticulous care and attention to detail throughout. With sleek lines, luxurious interiors, and powerful propulsion, she offers an ideal blend of elegance and adrenaline—perfect for owners who demand both sophistication and performance on the water.

LAYOUT:

M/Y BALOO I features a well-balanced three-cabin layout designed to combine privacy, comfort and functionality. The spacious full-beam master suite is positioned amidships, offering generous storage and a refined en-suite bathroom. Forward, a VIP cabin provides excellent volume and comfort, while the third guest cabin is arranged with twin beds, ideal for family or friends. The saloon on the main deck is bright and contemporary, seamlessly connected to the cockpit for effortless indoor-outdoor living. A fully equipped galley supports extended cruising, and separate crew accommodation ensures discreet service and smooth onboard operations.

BROKER COMMENTS:

BALOO I is a standout example of the Pershing 74, presented in exceptional condition and maintained to the highest standard. The exclusive servicing by official MTU technicians is a significant advantage, offering confidence in both performance and reliability. She delivers the thrilling speeds Pershing is known for, while retaining refined comfort throughout. For buyers seeking a powerful, meticulously cared-for yacht with proven pedigree, BALOO I represents a compelling opportunity in today's market.
