M/Y NOI is a striking example of the Riva 90 Argo, a yacht that successfully blends superyacht presence with true owner-driver appeal. Measuring just 90 feet, she offers the rare advantage of a main-deck owner's suite while remaining within a size range that allows operation without a master's licence in many jurisdictions. Powered for performance and built with Riva's unmistakable craftsmanship, NOI delivers exhilarating speed alongside refined comfort. Her sculpted lines, expansive glazing and beautifully appointed interiors create a yacht that feels larger than her length suggests. NOI is a compelling choice for hands-on owners seeking autonomy without compromise.

LAYOUT:

M/Y NOI features a well-proportioned layout designed for privacy and effortless onboard living. The main deck hosts a spacious full-beam owner's suite forward, offering exceptional volume and natural light. Below deck, four guest cabins accommodate up to eight guests, each with en-suite facilities, bringing the total to five guest bathrooms for optimal comfort. The saloon and formal dining area flow seamlessly to the aft deck, enhancing indoor-outdoor connectivity. Exterior spaces include a generous flybridge, foredeck lounge and comfortable cockpit area. Two dedicated crew cabins with separate access ensure professional service while maintaining discretion and owner privacy throughout.

BROKER COMMENTS:

The owner of NOI is an experienced yacht owner, with a dedicated and extremely professional crew. Having personally inspected M/Y NOI, I would encourage a viewing. She is in immaculate condition and currently undergoing routine maintenance to demonstrate her pedigree.
