PART EXCHANGE CONSIDERED. Sleek yet imposing, the Pershing 8X commands attention on the open waters with its aerodynamic profile and muscular stature. Twin 2638 horsepower engines propel this Italian thoroughbred to a blistering 48 knots so that the sea itself blurs to abstraction. Step inside to find exquisitely stitched leather, carbon fibre trim and a hi-tech entertainment suite framed by expansive windows. With a range of over 300 nautical miles between refuelling, the possibilities for adventure are endless aboard this pinnacle of luxury and performance. Both a paddock and a palace, the 8X realises fantasies on every horizon.

LAYOUT:

The Pershing 8X features a contemporary three-cabin layout designed to maximise space, light, and functionality. The lower deck typically accommodates a full-beam master suite amidships, a forward VIP cabin, and a twin guest cabin, all with en-suite facilities, ensuring privacy and comfort for up to six guests. The main deck saloon is open and bright, seamlessly connecting lounge, dining, and helm areas beneath expansive glazing. Aft, the cockpit flows naturally from the interior, enhancing indoor-outdoor living. Separate crew quarters are positioned aft with independent access, allowing discreet service while preserving guest privacy throughout the yacht.

BROKER COMMENTS:

In immaculate condition, a 'must-see' yacht, fully serviced and crew maintained. Performance and precision, this is what M/Y SURVIVOR OF LONDON offers in abundance.
