The Pershing 5X M/Y POLAR is the first of the "Generation X" creations. A bold coupé whose mark – a code used in the aeronautical world to refer to extreme performance and technological evolution – alludes to the unquenchable thirst to set sail for new horizons at great speed. Pershing 5X is the first page of a fabulous new chapter in the history of Pershing. Polar has just arrived in Mallorca, Spain, and she's ready to navigate with a new owner on board, making sure the most adventurous days at sea are well enjoyed. This unit is literally a demonstrator that has no use at all, only the delivery hours. Great opportunity with the possibility of keep the mooring on the Marina in Palma de Mallorca under rental basis.

LAYOUT:

The layout of POLAR features a well-planned two-cabin configuration, with a lower deck dinette positioned forward of the open galley, creating a practical and sociable interior arrangement. The main saloon benefits from abundant natural light through expansive glazing and a glass hard top, while the integrated helm station flows seamlessly into the living area, complete with a C-shaped sofa and chaise longue designed for relaxed passenger seating underway.

BROKER COMMENTS:

M/Y POLAR is a 2023 Pershing 5X and one of the first of the "Generation X" series, presented with delivery hours only and ready for immediate use. Recently arrived in Mallorca, she represents an exceptional opportunity with the option to retain her mooring in Palma de Mallorca under rental agreement.
