YACHT DESCRIPTION:

Architect:	Officina Italiana Design	Material:	GRP
Internal Furniture:	Satin Walnut Veneer	External Hull Colour:	Metallic London Grey

With this yacht Riva has reinterpreted the concept of an open yacht, characterized by a typical Mediterranean style while preserving the unmistakable elegance of the entire range: class, charm and a sober look. M/Y VOLTOR is designed with an eye to the outer lines of the Vertigo - a very successful classical model in Riva's range - the 63' Virtus also draws inspiration from the Rivale's strong personality, while also ensuring more spacious areas that guarantee excellent livability and total onboard comfort.

LAYOUT:

The Riva 63' Virtus features a spacious open layout designed for seamless outdoor living and refined interior comfort. The expansive cockpit offers generous seating, a large dining area and ample sunbathing space, all connected to the swim platform for easy access to the sea. Wide side decks lead forward to additional sunpads, creating multiple relaxation areas. Inside, the saloon is bright and elegantly appointed, with comfortable lounge seating and a well-equipped galley. Below deck, the three-cabin configuration includes a full-beam master, forward VIP and twin guest cabin, ensuring privacy and comfort for extended cruising.

BROKER COMMENTS:

M/Y VOLTOR beautifully embodies Riva's reinterpretation of the classic open yacht, blending Mediterranean flair with timeless elegance. Inspired by the iconic Vertigo and echoing the bold character of the Rivale, she combines sleek exterior lines with generous onboard volumes. VOLTOR offers the perfect balance of charm, sophistication and practicality for owners seeking an iconic Riva with contemporary livability.
