Water tank	100 lt

Description per area

General description

M/Y POLY JR is a stunning 2025 Technohull tender, crafted by the renowned Greek shipyard known for its high-performance, luxury semi-rigid boats. Delivered in July 2025 and owned by a single private individual, this vessel has never been chartered and remains in mint condition. Professionally maintained on a weekly basis, POLY JR offers exceptional reliability, comfort, and style on the water. Combining Technohull's signature craftsmanship with cutting-edge design and performance, she is ready to sail immediately, offering the perfect balance of power, elegance, and precision — an ideal tender for any discerning yacht owner.

Optional list

Optional list
