YACHT DESCRIPTION

Interior Design: Ferretti Group Project Architect & Engineering Department

Exterior Design: Filippo Salvetti Design

Internal Furniture: The interiors of M/Y AT ONE are crafted to exceptionally high standards, showcasing a level of personalisation unmatched by any other Navetta 30. Her bespoke master cabin has been reimagined with an additional custom vanity desk, enhanced upholstery, redesigned shelving, and a refined marble-and-mosaic bathroom. Interior fit-outs were developed in collaboration with Dior, Chanel, Minotti, and other iconic brands, elevating every detail. Striped dark walnut wood adds depth, warmth, and timeless sophistication throughout the yacht.

LAYOUT

M/Y AT ONE features an elegant three-deck layout designed for comfort and privacy. The main deck hosts the spacious forward master suite, while the lower deck offers two VIP cabins and two additional guest cabins, all en-suite. Crew accommodation is optimized at the bow with three en-suite cabins ensuring smooth service and discretion. A main deck day head adds convenience for guests. Thoughtfully arranged, the layout maximizes space, flow, and luxury across every level.

BROKER COMMENT

M/Y AT ONE stands as the most customised and technically enhanced Navetta 30 on the market. The master cabin has been re-designed with premium materials unlike any other Navetta 30 delivered. She is MCA coded and fully charter-ready, she features major technical upgrades including Seakeeper 40, dual Starlink systems and advanced PURO water filtration. Upgraded bridge and crew spaces enhance operational efficiency. Following the completion of all warranty works at the shipyard over the Winter months, she will be better than new and available immediately for the 2026 summer season.
