Stabiliser(s):	CMC Zero-Speed Electric Stabilisers	Stabiliser(s):	Hydraulic Trim Tabs
Bow thruster:	Yes	Stern thruster:	Yes

YACHT DESCRIPTION:

Architect:	Maiora & Robert del Re	Material:	GRP
Internal Furniture:	Cherry Wood	External Hull Colour:	White

M/Y POBEDY I combines elegant Italian design with generous proportions and a welcoming onboard atmosphere. Her exterior spaces are thoughtfully arranged for relaxation and entertaining, from the inviting aft cockpit to the expansive flybridge and private foredeck sun area. Inside, large windows fill the saloon with natural light, highlighting refined finishes and comfortable furnishings. Designed for enjoyable cruising, she offers a balanced blend of style, practicality and comfort, making her an ideal choice for both family use and extended time on the water.

LAYOUT:

The layout is designed to provide a seamless flow between living areas and maximise onboard comfort. The main deck features a bright saloon with lounge and dining spaces, opening directly to the aft cockpit for easy entertaining. The flybridge offers additional seating, sunbathing and an outdoor helm, while the foredeck provides a more private lounge area. Below deck, the full-beam master cabin is complemented by three guest cabins, all en-suite, along with separate crew accommodation ensuring privacy and efficient service.

BROKER COMMENTS:

Upon boarding the POBEDY I, I was impressed by the extensive refit, costing over €500,000, carried out over the last two years. She is fully equipped (including water sports equipment) and completely ready for her new owner to enjoy from the very first moment.
